

Finance & Operations Manager

Start: April 2023 (or as soon as possible, depending on availability)

Location: Rotterdam

Trinomics is a leading consultancy firm dedicated to supporting the transition to a low-carbon, green and climate-resilient society. Our work includes applied economic research and policy advice, capacity building, and knowledge transfer in a wide range of climate and energy policy topics, with clients ranging from European institutions to national governments in Europe, to international clients such as bilateral and multilateral donors and international financial institutions.

As part of the expansion of our European business operations, we are looking for an experienced **Finance and Operations Manager** to join our team, in our Rotterdam office.

Profile of the candidate

As Finance & Operations Manager for Trinomics, you have strong analytical capabilities, an eye for detail, good people management and communication skills, and keen on operating in a multidisciplinary & international team. The successful candidate will be part of the company's management team and will be responsible for the financial management strategy and planning, monitoring financial health and resource needs of the company, overseeing the operational business support activities and assist the Managing Director in a variety of managerial tasks. You will work closely together with our business support team as well as with our thematic cluster managers.

Required

- ✓ Completed Master's degree in Economics, Finance, Accounting or a related discipline;
- ✓ A minimum of 10 years of relevant professional work experience;
- ✓ Demonstrated experience in finance and accounting, as well as overviewing all other support functions of the company (office management, legal, HR, IT, business development and communication);
- ✓ Experience leading a small team of support staff;
- ✓ Analytical, organizational and quantitative capabilities (advanced Excel skills, etc.);
- ✓ Excellent communication skills;
- ✓ Ability to work, write and communicate fluently in English and Dutch. The ability to work in French is considered an advantage;
- ✓ Experience with consultancy (acquisition processes) is also an advantage.

What we offer

- ✓ A competitive package of employment conditions including a competitive salary as well as good secondary benefits (i.e. min. 28 holidays, comprehensive pension rights, internal training & personal development programme);
- ✓ Initially a one (1) year contract with the opportunity to extend this to a permanent contract based on good performance (evaluated after 6 months);
- ✓ Hybrid working, depending on the candidate's personal preferences and circumstances;
- ✓ Frequent social events and team building activities;
- ✓ Supportive, international and informal working environment, with talented and motivated colleagues;
- ✓ Opportunities for career development through a broad range of mentoring opportunities and external training opportunities.

If you meet the above profile, we would like to invite you to apply. Applications (motivation letter and recent CV) should be submitted via email to recruitment@trinomics.eu before 28/02/2023. Please use the following email heading for your application: **"FOM23-01 - NAME APPLICANT"**. **Only those candidates that meet the requirements will be invited for an interview.** As part of the application process, we will invite the pre-selected candidates to conduct a case study exercise in order to further assess their written and analytical capabilities required for the position.

For more information, please contact Koen Rademaekers (Managing Director) via recruitment@trinomics.eu or +31 (0)10 341 45 92.
